

CAJUN FISH FRY

Our Fish Fry is an authentic Cajun fry batter that will give your food the perfect color, the perfect crunch and add an incredible Cajun flavor to almost any fried dish. Here at Slap Ya Mama, we not only like to fry fish using this batter but we also like to fry pork chops with it. You might want to try it with onion rings and French fries as well. Play around with it, I'm sure you'll come up with some great recipes.
